Dear Madam/Sir,

"NHRC, India carries out several activities to build awareness towards the promotion and protection of human rights.

Its monthly Newsletter is one such effort in that direction giving information related to human rights in the country and interventions of the Commission.

Hope you find the information in the Newsletter useful. We also look forward to your suggestions.

These Newsletters are also available on the media section of the NHRC website at: <https://nhrc.nic.in/> for wider circulation".
